Contents

1 Hyperlinks

1.1 References

A simple equation is in Equation 1

$$1 = 1 \tag{1}$$

1.2 Web links

A link to Hello World can be found here.
The CTAN page for hyperref can be found at `https://ctan.org/pkg/hyperref?lang=en`

1.3 Files

Open the README.md file (this may open a dialog or may not work everywhere).
You can also link to a sentence, like the one in the next page.

This is a target sentence. This is where a link described earlier leads.
